MADE LIKE IT SHOULD BE

Gran Patrón Burdeos is crafted in very limited quantities from the finest 100% Weber Blue Agave grown in the Highlands of Jalisco. Twice distilled and aged in used American and new French oak barrels, it is then finished in vintage Bordeaux wine barrels, which impart a dark amber color and a taste that's velvety smooth with hints of vanilla and raisins.

Hennessy Paradis is defined by its graceful character and immediately delights with its rich copper colour. It is a perfectly balanced blend, both voluptuous and round, and combines smoothness and strength with a silky texture. Naturally it has a flavourful and deep, persistent finish.

Hennessy Paradis was created by Maurice Fillioux in 1979 as a tribute to symphonic music. He compared the blend to 'a symphonic orchestra', as "classical music that takes you away and connects with your emotions." The number of instruments in an orchestra is not necessarily a measure of its success, but rather the purity of sound it creates and the virtuosity of the conductor. The same is true for Hennessy Paradis, a union of exceptional eaux-de-vie selected for their individual qualities to work together to create a harmonious and graceful cognac.

The iconic Paradis collection is now available in new formats. Choose the perfect Hennessy Paradis decanter from generous magnum to mini format for discovery, always with the same sophisticated shape.

Coming across a 14-year-old Rye is rare, giving our master blenders pause when presumed with such a uniquely bold liquid. A born traveler, this whiskey was distilled in Indiana and then journeyed across state lines into Kentucky, aged to perfection at the infamous Stitzel-Weller Distillery.

A full-bodied aroma of sweet vanilla butter cream lightly toasted oak is accented with banana bread and just a hint of berries. Upon taste, a collection of baking spices and rye toast complement a medley of orchard fruits, and finishes with sweet notes of orange marmalade and a light warmth which fades into lingering dark chocolate.
